Civil Action No. **3:06-CV-1149-L**

ORDER

Before the court are the Findings, Conclusions and Recommendation of the United States Magistrate Judge, filed April 11, 2008. Plaintiff has not timely filed objections.

The court referred this case to United States Magistrate Judge Paul D. Stickney for pretrial management. The magistrate judge now finds that the case should be dismissed pursuant to Rule 41(b) of the Federal Rules of Civil Procedure due to Plaintiff's clear pattern of delay in this case. The court has reviewed the magistrate judge's report and the record in this action, and **accepts** the magistrate judge's findings and conclusions. The court therefore **dismisses without prejudice** Plaintiff's claims for failure to prosecute pursuant to Rule 41(b).

It is so ordered this 28th day of April, 2008.

Sam A. Lindsay
United States District Judge
